Letter NO 7248/B dated 12-4-1947
from the Chief Engineer for Irrigation
Recommends that the period of
stay of Mr. D. Samuel Shemraj,
Probationary Asst Engineer, in the
Industries & Commerce Dept may
be counted towards the probationary
period.

The above recommendation is
similar to the cases of Messrs D.
Nanjappa and E. V. Reddy, Probationary
Assistant Engineers, who have been
permitted to count the period of their
stay in the College of Engineering,
after their appointment as Probationaries,
towards their probationary period.
The connected file is put up. The
same concession may perhaps be
extended to Mr. D. Samuel Shemraj

Date 18/4/47

The Secretary to Government,
Public Works Department,
Bangalore.

Sir,

Mr. D. Samuel Dhanaraj, Probationary Assistant Engineer.

I have the honour to forward herewith, the representation of Mr. D. Samuel Dhanaraj, Probationary Assistant Engineer, requesting that the period of his stay in the Industries & Commerce Department, may be counted towards the Probationary period, and to state that the request of the party may be sympathetically considered since in Government Order No. P.W. 3704-7/Est. 5-46-8 dated 12-12-1946, it has been ordered that the stay of Messrs. D. Nanjappa and E. V. Seshadri in the College of Engineering may be reckoned towards their probationary period.

2. The Chief Engineer for Roads and Buildings concurs with me.

I have the honour to be,

Sir,

Your most obedient servant,

N. Narasimha
CHIEF ENGINEER FOR IRRIGATION.

GCS/10th.

Bangalore,
8th March 1947.

The Executive Engineer,
Buildings Division,
Bangalore.

Sir,

I have the honour to state that I was selected as a Probationery Assistant Engineering during December 1945 when I was working as an acting Superintendent of Industries, Bangalore Division, Bangalore getting a pay of Rs.150/-. I was not relieved in time to report myself as Probationery Assistant Engineer. The Director of Industries had written to the Chief Engineer to retain me in the Industries department with a lien in the Public Works Department. I was later on relieved on the 30th of April 1946 and the same day I reported to the Executive Engineer, Water Supply Division. I find from the programme chalked out that my stay in the Industries Department has not been counted towards my training in the Public Works Department.

As per letter No.P.W.3704-7/Fst.5-46-8 dated 12th December 1946 from the Secretary to Government, Public Works Department, to the Chief Engineer for Irrigation in Mysore, Bangalore that the stay of Messrs. D. ^{Nanjappa}~~Narayan~~ and F.V. Seshadri in the College of Engineering has been reckoned towards their Probationery period.

I request you to kindly recommend me for counting my stay in the Industries Department towards my Probationery period.

I have the honour to be,
Sir,
Your most obedient servant,
D. Samuel Shanaray
Prob: Asst. Engineer.
